Emergency Response Plan Checklist

Before the Disaster

- ✓ Identify and organize list of important phone numbers and contact information
 - ✓ Have up to date blue prints and building systems information
 - ✓ Set aside several sets of keys for emergencies
 - ✓ Set aside insurance information for emergency use
 - ✓ Establish a chain of command
 - ✓ Develop a relocation and evacuation plan
 - ✓ Pre-select Lang as your restoration contractor
-

During the Disaster

- ✓ Execute the evacuation plan and ensure everyone's safety
 - ✓ Contact authorities
 - ✓ Operationalize your relocation plan
-

After the Disaster

- ✓ Seek medical attention immediately if necessary
 - ✓ Notify the owner of the building
 - ✓ Call your insurance broker
 - ✓ Call Lang and notify us of your emergency
 - ✓ Secure and inspect the building with Lang professional
